TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2016

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period 1 September 2015 to 31 August 2016. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

The trust operates an academy for pupils aged 4 to 11 serving a catchment area in Bourne plus a nursery for three and four year olds. It has a pupil capacity of 630 (plus 26 nursery places) and had a roll of 661 (including 30 nursery places) in the school census on 6 October 2016.

STRUCTURE, GOVERNANCE AND MANAGEMENT

CONSTITUTION

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The trustees of Bourne Westfield Primary Academy are also the directors of the charitable company for the purposes of company law. The charitable company is known as Bourne Westfield Primary Academy.

Details of the trustees who served during the year are included in the Reference and Administrative Details on page 1.

MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

TRUSTEES' INDEMNITIES

In accordance with normal commercial practice the academy has purchased insurance to protect the Trustees and Officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £2,000,000 on any one claim.

METHOD OF RECRUITMENT AND APPOINTMENT OR ELECTION OF TRUSTEES

The Articles outline the different types of Trustees/Governors; each category has slightly different election processes, as outlined below:

- The term of office for any Governor shall be four years, save that this time limit shall not apply to the Principal or any post which is held ex officio. Subject to the remaining eligible to be a particular type of Governor, any Governor may be re-appointed or re-elected;
- The Governing Body may appoint up to six Governors;
- A minimum of two Parent Governors shall be elected by parents of registered pupils of the academy. A Parent Governor must be a parent of a pupil at the Academy at the time when he is elected. The term of office of a Parent Governor should end when they complete their term of office;
- Up to three Staff Governors shall be elected by a ballot of all staff employed under a contract of employment or a contract for services or otherwise engaged to provide services to the Academy (excluding the Principal). If a Staff Governor ceases to work at the academy then he shall be deemed to have resigned and shall cease to be a Governor automatically on termination of his work at the Academy. Any election of a Staff Governor which is contested shall be held by secret ballot;
- The Governors may appoint up to three Co-opted Governors. A 'Co-Opted Governor' means a person who is appointed to be a Governor by being co-opted by the Governors who have not themselves been so appointed.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

Governors are subject to retirement or re-election at the end of their four year term of office unless the eligibility conditions listed above prevail.

POLICIES AND PROCEDURES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

The training and induction provided to new Trustees will depend on their existing experience. Where necessary, induction will provide training on charity and educational legal and financial matters. All new Members and Trustees are given a tour of the academy and the chance to meet with staff and pupils.

The Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees. As there are normally few new Trustees a year, induction tends to be done informally and is tailored specifically to the individual.

ORGANISATIONAL STRUCTURE

The structure of the academy consists of four senior levels: the Members, the Board of Trustees (Governing Body) and the Head Teacher leading the Senior Leadership Team which includes a Senior Deputy Head Teacher, a Deputy Head Teacher, Assistant Head Teacher and School Business Manager; and the Leadership Team (which includes Phase Group Leaders and SENCo).

An aim of this management structure is to distribute responsibility and accountability and to encourage the involvement in decision making at all levels so that the Academy nurtures the talents of its entire staff to support continual improvement and excellence.

The Board of Trustees is responsible for setting the academy's policies, adopting the School Improvement Plan and budget, monitoring performance against those plans and making major decisions about the direction of the academy including its curriculum, the achievement and welfare of pupils and staffing.

The Head Teacher and Senior Leadership Team control the academy at an executive level, implementing the policies set by the Board of Trustees and reporting back to them.

The Leadership Team lead different phase groups and are responsible for day to day performance and practice.

The Board of Trustees has established two sub-committees. Each sub-committee has its own terms of reference detailing the responsibilities discharged to the sub-committee, to the Head Teacher (the Accounting Officer) and to the Senior Leadership Team.

The terms of reference and meeting frequency for each sub-committee is reviewed and approved by the Board of Trustees annually. The academy has approved Finance policies and procedures which detail the academy's authorised spending limits.

The sub-committees of the Governing Body are:

- Finance & Assets Committee;
- Performance and Improvement Committee.

FOR THE YEAR ENDED 31 AUGUST 2016

ARRANGEMENTS FOR SETTING PAY AND REMUNERATION OF KEY MANAGEMENT PERSONNEL

The structure and pay ranges for the Senior Leadership Team are set by the Full Governing Body at the time of appointment. The pay ranges cover a five point scale with the head teacher's salary established against the ISR. The ISR is recalculated annually by the Pay and Remuneration Committee. Any variations beyond this (for any members of the Senior Leadership Team) are made by the Full Governing Body following the recommendation by the Pay and Remuneration Committee. Recommendations for pay increases or salary regarding are made by the head teacher to the Pay and Remuneration Committee, following performance management, where a final decision will be made on whether to award the pay increase.

RELATED PARTIES AND OTHER CONNECTED CHARITIES AND ORGANISATIONS

The school is connected to two other charities:

- Slippers Extended Provision (charity number: 1149399);
- The Friends of Westfield (PFTA) (charity number: 1048383).

During the year the Academy engaged in transactions with the above as follows:

- Donations received from the PFTA;
- Rental charged to Slippers for accommodation costs;
- Incidental administrative costs charged to Slippers.

OBJECTIVES AND ACTIVITIES

OBJECTS AND AIMS

The principal object and activity of the charitable company is the operation of Bourne Westfield Primary Academy to provide education for pupils of different abilities between the ages of three and eleven with emphasis on particular specialisms.

In accordance with the Articles of Association the charitable company has adopted a "Scheme of Government" approved by the Secretary of State for Education and Skills. The Scheme of the Government specifies, amongst other things, the basis for admitting students to the academy, and that the curriculum should comply with the substance of the national curriculum.

OBJECTIVES, STRATEGIES AND ACTIVITIES

OBJECTIVES

The main objectives of the academy during the year ended 31 August 2016 are summarised below:

- Improve quality of writing generally and for higher attainers;
- Consistency in the high expectations of all staff working in EYFS;
- Embed Mastery approach in Maths in order to improve progress for FSM and SEN;
- Refining the approach to feedback.

STRATEGIES AND ACTIVITIES

The main strategies and activities in the year include to:

- Improve the quality of visits and visitors to inspire learning;
- Introduce the IPEEL EEF Research Project to improve writing;
- Develop immersive learning environments within the classroom;
- Develop a curriculum leadership team and review non-core curriculum provision;
- Review medium term planning;
- Revise setting arrangements in Maths to maximize progress;

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

- Introduce 'inspire' Maths into year 1.

PUBLIC BENEFIT

The Trustees confirm that they have complied with the duty to have due regard to the Charity Commission's general guidance on public benefit.

The academy's public benefit is enshrined in its charitable objects, which are:

- To advance for the public benefit education in the town of Bourne and the surrounding area, in particular, but without prejudice, to the generality of the foregoing by estimating, maintaining, carrying on, managing and developing schools, offering a broad curriculum with a strong emphasis on, but in no way limited to, either one or a combination of specialisms. The current specialisms of the Academy are music, sport and the arts;
- To provide facilities for recreational and other leisure time occupation for the community at large in the interests of social welfare and with the interest of improving the life of the said community.

STRATEGIC REPORT

ACHIEVEMENTS AND PERFORMANCE

OUTCOMES

The biggest achievement of 2015/16 was reaching the significant milestone of being 40 years since the school opened.

The academy was successful in obtaining CIF funding to rebuild a classroom and to reroof a section of the building and replace hall windows.

The academy successfully trained four ITT trainees throughout the year who have all gained local employment. In addition 26 ITT trainees were recruited by the academy and are currently deployed across 22 South Lincolnshire schools.

The Trustees are very proud of the achievements and recognise the tremendous hard work and commitment put in by the Head Teacher, Senior Leadership Team, all teaching and support staff over the last year.

ACADEMIC ACHIEVEMENTS AND PERFORMANCE

Pupils entered Westfield below National Expectations. Outstanding teaching and high quality provision ensured that more pupils met the expected level of development by the time they entered year one than seen nationally.

At the end of year one 87% of pupils attained the level necessary to pass the phonics screening check compared to a national average of 71%. This represents a 49% increase on performance last year.

Results in tests at the end of year 2 and year 6 were broadly in line with National averages.

OTHER CURRICULUM ACHIEVEMENTS AND PERFORMANCE

Major achievements included:

- Sporting success in cross-country, swimming, athletics, hockey and netball, with county champions in football;
- Awarded 2016 Music Department of the Year by Lincolnshire Music Services;
- Musical success in events such as the Rotary Young Musician competition and Skegness Prom;
- Visits from the author Anne Fine and gymnast Craig Heap;

BOURNE WESTFIELD PRIMARY ACADEMY
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

- First ever year five residential trip to PGL in Caythorpe;
- New purpose-built EYFS area at the front of the school;
- Kitchen awarded Highly Commended Five Star for food hygiene by the Foods Standards Agency;
- Awarded £9k grant by the Big Lottery Fund towards outdoor gym equipment;
- Awarded £450k funding from the EFA towards capital rebuilds.

KEY PERFORMANCE INDICATORS

- EYFS outcomes; Year One Phonic Check outcomes; end of Key Stage One outcomes; end of Key Stage Two outcomes, Ofsted outcomes, pupil premium statement outcomes;
- Staff costs as a percentage of income and a percentage of expenditure;
- Sporting achievements;
- Musical achievements;
- Financial returns and grants obtained.

GOING CONCERN

After making appropriate enquiries, the Governing Body has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

FINANCIAL REVIEW

Most of the academy's income is obtained from the EFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the EFA during the year ended 31 August 2016 and the associated expenditure are shown as restricted funds in the statement of financial activities.

The trust held fund balances at 31 August 2016 of £3,924,121, comprising £249,171 of restricted funds, a fixed asset reserve of £4,376,690, a pension reserve deficit of £901,000 and £199,260 of unrestricted general funds.

Most of the trust's income is obtained from the EFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the EFA during the period ended 31 August 2016 and the associated expenditure are shown as restricted funds (non-fixed assets) in the statement of financial activities.

During the year ended 31 August 2016, total expenditure of £2,384,779 was less than recurrent restricted grant funding from the EFA together with other restricted incoming resources. The excess of income over expenditure for the period was £46,954.

The main financial performance indicator is the level of reserves held at the Balance Sheet date. In particular, the management of spending against General Annual Grant (GAG) requires special attention as the amount of carry forward is restricted. In the period under review there was no GAG carried forward. Another key financial performance indicator is staffing costs as a percentage of recurrent income. For 2016 this was 87.6% and this will be monitored in future periods.

The trust's non-teaching staff are entitled to membership of the Local Government Pension Scheme. The Trust's share of the Scheme's assets is currently assessed to be less than its liabilities in the Scheme, and consequently the academy balance sheet shows a net liability of £901,000.

The trustees consider that an appropriate level of reserves to be in the order of two percent of annual grant funding to insulate the academy in the event of EFA funding becoming interrupted, and the carry forwards at 31 August 2016 is considered to be in line with that objective.

BOURNE WESTFIELD PRIMARY ACADEMY
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

RESERVES POLICY

The academy's 'free' reserves are its funds after excluding restricted funds. 'Reserves' are therefore the resources that the academy has or can make available to spend for any or all of the academy's purposes once it has met its commitments and covered its other planned expenditure. More specifically 'free reserves' represent income to the academy which is to be spent at the Trustees' discretion in furtherance of any of the academy's objects but which is not yet spent, committed or designated.

The trustees review the reserves levels of the academy annually. The review encompasses the nature of the income and expenditure streams. The trustees have determined that the appropriate level of free reserves should be equivalent to 2% of the annual grant funding, which is approximately £50,000. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance.

At 31 August 2016, free reserves held amount to £199,260 and restricted general funds amount to £249,171.

The amount of funds which can only be realised by disposing of tangible fixed assets amounted to £4,376,690.

The pension fund is in deficit by £901,000.

Total funds at 31 August 2016 amount to £3,924,121, and the balance on restricted general funds plus unrestricted general funds at 31 August 2016 results in a net surplus of £448,431

INVESTMENT POLICY

The Academy operates an investment policy that seeks to maximise returns, minimise risk and maintain flexibility and access to funds. Current funds are held on deposit.

PRINCIPAL RISKS AND UNCERTAINTIES

The academy has a comprehensive Risk Register, which is used in conjunction with regular financial reporting to monitor the operational and financial performance of the academy. Based on the strategic plan, the governing body undertakes a comprehensive review of the risks to which the academy is exposed. The governing body identifies systems and procedures, including specific preventable actions which should mitigate any potential negative impact on the academy.

A thorough appraisal is undertaken in the subsequent year of the existing risks and any emerging risks, for example, those arising from changes to national funding policy and/or local circumstances. In addition to the annual review, the governing body will also consider any risks which arise during the year, for example, as a result of a new area of work being undertaken by the academy.

An Internal Auditor performs thorough testing of the financial and compliance systems and reports back to the governing body with recommendations.

A Risk Register, covering low, medium, and high level risks, is maintained at academy level. The Risk Register identifies the key risks, the likelihood of those risks occurring, their potential impact on the academy and the actions being taken to reduce and mitigate the risks. Risks are prioritised as low, medium and high using a consistent scoring system.

The academy's approach to risk management is supported by a risk management training programme which raised awareness of risk throughout the academy. In addition the Senior Leadership Team and Phase Leaders incorporate risk management in their self-assessment reports and quality improvement plans.

BOURNE WESTFIELD PRIMARY ACADEMY
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

Outlined below is a description of the principal risk factors that may affect the academy. However, not all factors are within the academy's control and other factors besides those listed may also adversely affect the academy:

Government Funding – The Academy is fundamentally reliant on continued government funding through the Education Funding Agency (EFA) and the Local Authority. The risk has and will be mitigated in a number of ways:

- Considerable focus and investment is placed on maintaining and managing key relationships with the various funding bodies;
- Ensuring that the academy is focused on those priority sectors which will continue to benefit from public funding;
- Contingency planning embedded into the academy budget process.

The Local Government Pension Scheme (LGPS) deficit presents a financial risk and a pension reserve has been created within the statutory accounts. At the end of August 2016 the scheme deficit had increased from £498,000 to £901,000. The financial statements report the share of the LGPS deficit on the academy's balance sheet in line with the requirements of FRS102. The academy takes professional advice on this position, including guidance from Lincolnshire County Council and makes appropriate contributions on the basis of that advice to ensure that the deficit does not become unmanageable.

PLANS FOR FUTURE PERIODS

The academy intends to continue achieving its aims and objectives through the aforementioned activities. In addition the academy will develop its newly opened nursery and teaching school activities.

AUDITOR

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Trustees' report, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on 6 December 2016 and signed on the board's behalf by:

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As trustees, we acknowledge we have overall responsibility for ensuring that Bourne Westfield Primary Academy has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the Head Teacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Bourne Westfield Primary Academy and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The board of trustees has formally met 6 times during the year. Attendance during the year at meetings of the board of trustees was as follows:

Trustee	Meetings attended	Out of a possible

There were a number of changes to the Governing Body throughout the year. Mr T Robinson resigned on 4 March 2016 and Mrs R Green resigned on 29 February 2016. Mrs G Goodwin was appointed on 6 October 2015 and Mrs S Medina was appointed on 1 March 2016. The trustees would like to thank all the retiring governors for their support to the academy, their dedication and enthusiasm that has had such a positive impact over the years they have served.

The Finance and Asset Committee is a sub-committee of the main board of trustees. Its purpose is to:

- Assist the decision making of the Governing Body by enabling more detailed consideration to be given to the best means of fulfilling the Governing Body's responsibility to ensure sound management of the academy's finance and resources, including proper planning, monitoring and probity;
- To make appropriate comments and recommendations on such matters to the Governing Body on a regular basis;
- Responsible for internal audit;
- Major issues will be referred to the Full Governing Body for ratification.

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Head Teacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the academy has delivered improved value for money during the year by:

Improving Educational Results

- The impact of an extensive CPD programme for all staff has resulted in attainment and progress in mathematics and writing showing improvement on previous years particularly for FSM children;
- The introduction of a new phonics and associated staff training has resulted in phonics remaining as a strength;
- The academy introduced "Find Your Voice" LAMDA awards to promote speaking for pupils in receipt of FSM. 100% of these pupils passed their LAMDA examinations, 98% passing at merit or distinction;
- The academy supported a number of other schools to improve the quality of teaching and learning.;
- The careful spend of the PE sports premium funding has resulted in a high level of sporting success and increased participation particularly for the female pupils.

Financial Governance and Oversight

- Produce business plans and three year financial plans to ensure that governors have a clear overview of

BOURNE WESTFIELD PRIMARY ACADEMY
(A company limited by guarantee)

GOVERNANCE STATEMENT (continued)

the future projected financial health of the academy so that they can make informed strategic decisions about future expenditure and strategic direction;

- Confirm that purchasing protocols are followed to ensure that best value processes are achieved;
- Perform a comprehensive Internal Audit review and acted upon the recommendations.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Bourne Westfield Primary Academy for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The board of trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks, that has been in place for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

THE RISK AND CONTROL FRAMEWORK

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Finance and Asset Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided to appoint Julia Raftery Consulting Limited as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. In particular the checks carried out in the current period included testing of all financial systems and testing of compliance.

On a semi-annual basis, the internal auditor reports to the board of trustees on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

The Internal Auditor reports to the governing body, through the finance and assets committee, on the operation of the systems of control and the discharge of the board of trustees' financial responsibilities. The Internal Auditors presented their latest report in September 2016 where no material control issues were noted.

BOURNE WESTFIELD PRIMARY ACADEMY
(A company limited by guarantee)

GOVERNANCE STATEMENT (continued)

Remedial action on the other areas noted are already adopted or underway.

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Head Teacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the internal auditor and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Bourne Westfield Primary Academy I have considered my responsibility to notify the academy trust board of trustees and the Education Funding Agency of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2015.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2015.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and EFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2016

The Trustees (who act as governors of Bourne Westfield Primary Academy and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Strategic report, the Trustees' report and the financial statements in accordance with the Annual Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies' Accounts Direction 2015 to 2016;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
BOURNE WESTFIELD PRIMARY ACADEMY**

We have audited the financial statements of Bourne Westfield Primary Academy for the year ended 31 August 2016 which comprise the Statement of financial activities incorporating income and expenditure account, the Balance sheet, the Statement of cash flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITORS

As explained more fully in the Statement of Trustees' responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the academy's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

BOURNE WESTFIELD PRIMARY ACADEMY

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
BOURNE WESTFIELD PRIMARY ACADEMY**

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Trustees' report, incorporating the Strategic report, for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT REPORTING AUDITORS' ASSURANCE REPORT ON REGULARITY TO BOURNE WESTFIELD PRIMARY ACADEMY AND THE EDUCATION FUNDING AGENCY

In accordance with the terms of our engagement letter dated 13 April 2015 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2015 to 2016, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Bourne Westfield Primary Academy during the year 1 September 2015 to 31 August 2016 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Bourne Westfield Primary Academy and the EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Bourne Westfield Primary Academy and the EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Bourne Westfield Primary Academy and the EFA, for our work, for this report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF BOURNE WESTFIELD PRIMARY ACADEMY'S ACCOUNTING OFFICER AND THE REPORTING AUDITORS

The accounting officer is responsible, under the requirements of Bourne Westfield Primary Academy's funding agreement with the Secretary of State for Education dated 23 September 2011, and the Academies Financial Handbook extant from 1 September 2015, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2015 to 2016. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2015 to 2016 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

Our audit work involved:

- a review of the Academy systems and controls and confirmation of their operation and effectiveness during the year;
- a detailed review of purchase transactions confirming the purpose, value for money and that appropriate tendering or quotation procedures had been followed in line with the Academy finance policy; and
- a review of the Internal Audit reports.

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2015 to 2016 issued by EFA, the Charities Act 2011 and the Companies Act 2006.

Bourne Westfield Primary Academy constitutes a public benefit entity as defined by FRS 102.

First time adoption of FRS 102

These financial statements are the first financial statements of Bourne Westfield Primary Academy prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities SORP 2015 (SORP 2015). The financial statements of Bourne Westfield Primary Academy for the year ended 31 August 2015 were prepared in accordance with previous Generally Accepted Accounting Practice ('UK GAAP') and SORP 2005.

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP. Consequently, the Trustees have amended certain accounting policies to comply with FRS 102 and SORP 2015.

Reconciliations to previous UK GAAP for the comparative figures are included in note 25.

1.2 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Department for Education.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.3 Income

All income is recognised once the academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities incorporating income and expenditure account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities incorporating income and expenditure account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the academy which amounts to a donation is recognised in the Statement of financial activities incorporating income and expenditure account in the period in which it is receivable, where there is certainty of receipt and it is measurable.

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Charitable activities and Governance costs are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.5 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements..

1.6 Tangible fixed assets and depreciation

All assets costing more than £2,000 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is not charged on freehold land. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	5% on cost and 2% on cost
Fixtures and fittings	-	25% on cost
Computer equipment	-	33% on cost

1.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the academy; this is normally upon notification of the interest paid or payable by the Bank.

1.8 Operating leases

Rentals under operating leases are charged to the Statement of financial activities incorporating income and expenditure account on a straight line basis over the lease term.

BOURNE WESTFIELD PRIMARY ACADEMY
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.9 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.13 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.14 Pensions

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 21, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

BOURNE WESTFIELD PRIMARY ACADEMY
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities incorporating income and expenditure account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses

1.15 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 21, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2016. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement:

There have been no judgements that the trustees have made in the process of applying the entity's accounting policies that have made a significant effect on the amounts recognised in the financial statements.

Unrestricted funds

Unrestricted funds represent both those resources, as well as funds transferred to the Academy from the Local Authority upon conversion, which may be used towards meeting any of the objects of the Academy at the discretion of the Governors. These are not currently designated for particular purposes.

Restricted Fixed Asset funds

EFA capital grants represents funding from central government for specific capital projects.

Capital expenditure from GAG represents fixed asset expenditure transferred from other restricted income.

Capital expenditure from other income represents other funding sources transferred from other restricted and unrestricted income.

Restricted Revenue funds

General Annual Grant (GAG) is made up of a number of different funding streams, all of which are used to cover the running costs of the Academy.

Other EFA Grants, other government grants and other restricted funds represent monies received for specific purposes.

Pension Reserve represents the current deficit balance of the Local Government Pension Scheme (LGPS).

Transfers between funds represent capital expenditure made from recurrent income.

Under the funding agreement with the Secretary of State, the academy was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2016.

21. PENSION COMMITMENTS

The academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Lincolnshire County Council. Both are Multi-employer defined benefit pension schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2013.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge (currently 14.1%)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS will be as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £177,406 (2015 - £154,758).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website

21. PENSION COMMITMENTS (continued)

(www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2016 was £104,000 (2015 - £92,000), of which employer's contributions totalled £82,000 (2015 - £72,000) and employees' contributions totalled £22,000 (2015 - £20,000). The agreed contribution rates for future years are 20.09% for employers and various % for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

24. RELATED PARTY TRANSACTIONS

Owing to the nature of the academy's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy's financial regulations and normal procurement procedures.

During the year the Academy purchased goods and services from S J Radley, the spouse of the Head Teacher, amounting to £1,907 (2015 - £nil). No amounts were outstanding at the year end.

During the year the Academy also entered into transactions with Slippers Extended Provisions, a charity connected to the Academy, for rental charges for the use of accommodation. The Academy received total income of £2,986 (2015 - £3,187), of which no amounts (2015 - £354) were outstanding at the year end.

25. FIRST TIME ADOPTION OF FRS 102

It is the first year that the Academy Trust has presented its financial statements under SORP 2015 and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 and SORP 2015 was therefore 1 September 2014. As a consequence of adopting FRS 102 and SORP 2015, a number of accounting policies have changed to comply with those standards.

The policies applied under the academy's previous accounting framework are not materially different to FRS 102 and have not impacted on funds or net income/expenditure.
