Ofsted, parent feedback, SUMO and ADHD workshop

Ofsted

As you know, in May we had a visit from Ofsted. We are proud to share that from this recent Ofsted inspection they highlighted the excellent support provided for pupils with special educational needs and/or disabilities (SEND). Inspectors noted that these pupils are *well-supported, with thorough assessments* ensuring their needs are *clearly identified and understood*. Our *detailed plans* and *well-tailored support* in the newly established Willow Room and Learning Base 2 were praised. Additionally, pupils who need extra help to meet expectations are *consistently supported*. These affirmations reflect our commitment to inclusive education and ensuring every child thrives.

Parent Questionnaire

Thank you to everyone who took the time to fill in the SEND questionnaire. It was lovely to read your feedback and to be able to reflect and take the next steps in our practice. We received some lovely comments.

"I always feel my child is surrounded by a team of adults who promote inclusivity"

"Amazing school for my son's SEN needs"

"I always feel my child is surrounded by a team of adults who promote inclusivity for them as well as compassion for their health struggles"
