BEHAVIOUR AND REWARDS POLICY

ADOPTED: September 2022

REVIEWED: September 2024

- The aim of this policy is:
 - to establish a consistent approach to building positive relationships with children
 - to ensure a consistent and positive approach to the management of the behaviour of pupils in and around the school, including our wrap-around provision and in the wider community
 - to promote in the pupils themselves an intrinsic and positive attitude towards good behaviour and manners both in and out of school
 - to safeguard the children by ensuring everyone is aware of and reporting concerns regarding changes in a pupil's behaviour, and/or being aware that poor and unusual behaviour can be a sign of an underlying safeguarding concern.

At Bourne Westfield Primary Academy, we believe that behaviour has a central role in allowing pupils to access learning. Good behaviour allows pupils to engage fully in their learning and reach their full potential. At our school, we create an environment and deliver a curriculum that supports the social, emotional and mental health of the whole school community. The aim of this Behaviour and Rewards Policy is to communicate the key principles and practices that reflect our school ethos.

We believe that everyone has the right to:

- to feel safe, healthy and happy;
- to be treated with respect, dignity and equality;
- to learn or to teach, or to do their job.

Our duty is to recognise:

- Children will not be able to learn effectively, until they feel happy, safe and secure.
- We recognise that all behaviour is a form of communication
- We recognise that all behaviour is learnt.
- Every member of our school community is responsible for supporting positive pupil behaviour and instilling politeness and good manners.
- Creating positive relationships with children is the largest deterrent to unwanted behaviour

At Bourne Westfield Primary Academy, everyone has a responsibility to uphold these rights which means every member of staff, pupil and family member is charged with upholding high behavioural expectations.

Behind every behaviour there is a feeling and behind every feeling there is an experience

We understand that all behaviours are a form of communication. With that in mind, we aim to be proactive rather than reactive – teaching children appropriate strategies to help manage their feelings and relationships. We aim to create a positive, predictable and safe environment for the whole school community.

It is understood that children with a special educational need or disability (SEND) need may find it difficult to meet the expectations of behaviour on occasions. With this in mind, we have a graduated approach to behaviour that works alongside the SEND policy and the SEND Code of Practice for the Social, Emotional and Mental Health (SEMH) area of need: please see the sections 6.32 and 6.33 (click [here](#) for further information).

This policy will work in conjunction with the school's Anti-Bullying Policy, Suspension & Exclusion Policy and the Child Protection and Safeguarding policy. This policy should be read alongside the following:

- [Behaviour in Schools 2022](#)
- [Revised Behaviour in Schools guidance and Suspension and Permanent Exclusion Guidance](#)
- [Keeping Children Safe in Education](#)
- [Department of Education Teacher Standards \(Section 7\)](#)
- [Searching, Screening and Confiscation Advice for Schools July 2022](#)

Expectations of behaviour based on the School's aims and values.

At Bourne Westfield Primary Academy, it is expected that every child will:

- Consistently demonstrate the school values of Community, Opportunity, Respect and Excellence and follow the Westy Way.
- Listen to and follow instructions and rules set by adults.
- Show respect to others.
- Use technology safely as guided by the adults.

Underpinning these expectations, are our school's CORE values which direct our curriculum and work within school. Our school's key values, the WESTY Way, provides a framework that supports pupils in their conduct and in being good citizens.

WESTY Way

We are brave

Everyday we try our best

Stick at it! We are resilient

Trust us – we are caring and respectful

Yes! We are a team

At the start of every academic year, the children and their new class teacher/s will agree the behaviour that is expected in line with these values and the WESTY Way. It is important to do this at the start of every academic year to reinforce expectations; these will form part of the Class Charter which is displayed in the classroom. This will be referred to regularly and revised in light of repeated instances of unwelcome behaviour.

Role of Staff and Volunteers:

All staff working at Bourne Westfield have responsibility to:

- To have and show respect for every child.
- To view behaviour as a form of communication.
- To form positive relationships to enable children to feel secure in school.
- To maintain clear boundaries and expectations.
- To record incidents and communication on the school's recording system Trackit.
- To communicate both positive and concerning behaviours to parents, carers and the Leadership Team.
- To work collaboratively to reinforce the strategies agreed in line with this policy.

Role of Parents and Carers:

Parents and carers should support the actions of the school outlined in this policy. If they have any concerns regarding their child's behaviour, they should initially contact the class teacher. If the concern remains, they should contact the Leadership Team.

Role of the Local Governing Board:

Bourne Westfield Primary Academy governing body is responsible for reviewing and approving the written behavioural principles of this policy. The governors will also review this policy in conjunction with the headteacher and monitor the policy's effectiveness.

Role of the Headteacher and Leadership Team:

It is the responsibility of the Leadership Team to monitor the implementation of the Behaviour and Rewards Policy throughout the school and to report to governors on the effectiveness of the policy.

The headteacher has the responsibility for giving fixed-term suspensions to individual children for serious acts of misbehaviour.

For repeated or very serious acts of anti-social behaviour, the headteacher may permanently exclude a child. This action is only taken after the school has sought advice from the Pupil Reintegration Team and the Local Authority and the Chair of Governors has been notified. Please see [here](#) for more information.

- Westy Postcards – sent home

Unwelcome Behaviour

It is unacceptable for anyone to:

- Disturb the learning of others
- Be disrespectful or speaking inappropriately
- Use rude language or swear, including online
- Use aggressive and physical behaviours towards others
- Be dishonest
- Bully others, including online
- Damage equipment or purposely use it in the wrong way

The Five Stages of Behaviour

The academy uses a behaviour scale of green, amber, yellow and red across the school and is supported by 'Track It Lights', an application which supports and logs the use of rewards and sanctions across the school, providing a clear framework in which to follow.

When an incident occurs, we follow these principles:

What happened? – Hearing and valuing the unique perspective of each individual.

What were you thinking? – Making connections between thoughts and behaviours.

What were you feeling? – Developing emotional literacy/empathy and consideration and making connections between feelings, thoughts and behaviours.

Who has been harmed or affected? - Connecting harm to the un-met needs.

What needs to happen/do you need to do now? - Finding the right strategy to repair the relationships, the harm and unmet need.

Use of "Who", "What", "Where", "When" and "How" questions rather than "Why".

Appendix 2.0

Use of Reasonable Force and Physical Handling

All members of school staff have a legal power to use reasonable force.

Control means either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of a classroom.

Restraint means to hold back physically or to bring a pupil under control. It is typically used in more extreme circumstances, for example when two pupils are fighting and refuse to separate without physical intervention.

Some examples are given below for illustrative purposes whereby **Reasonable force* might be used to:**

- remove disruptive children from the classroom where they have refused to follow an instruction to do so
- prevent a pupil behaving in a way that disrupts a school event or a school trip or visit
- prevent a pupil leaving the classroom where allowing the pupil to leave would risk their safety or lead to behaviour that disrupts the behaviour of others
- prevent a pupil from attacking a member of staff or another pupil, or to stop a fight in the playground
- restrain a pupil at risk of harming themselves through physical outbursts.

*** (Reasonable force for the purposes of this context is defined as 'Reasonable in the circumstances' meaning using no more force than is needed.)**

Schools cannot:

Use force as a punishment - it is always unlawful to use force as a punishment.

Following the use of restraint or force the relevant member of staff will, at their earliest opportunity, inform their line manager and record the facts of the circumstances about the event on CPOMs. Parents of the pupil will be informed and the written record retained by the school with that pupils school records on CPOMs. This provides the means whereby the school SLT can review the effectiveness of this policy.

Staff of the school should follow the latest DfE guidance: "Searching, screening and confiscation- Advice for headteachers, school staff and governing bodies".
