

Dear Parents

Building Works

We are very excited that building work will soon be starting to extend our existing Year 5 block. The work will commence on **Monday 23rd January** and should be completed by Easter.

The work does mean that the **Kingsley Avenue gate will be closed from next Monday (23rd January 2023)** for the duration of the build. We would therefore ask you to access school via the other three entrances at the front of the school. We understand that this will mean these gates are busier and would ask that you are patient with each other during this time. We would ask that you use the footpaths around the school and not walk through the school car park amongst the parked cars.

Children attending cross country will be able to access the field via the gate nearest to the infant playground/nursery building.

Year 2 Parent Assemblies - Next Week

A courtesy reminder that Year 2 children will welcome parents to their class showcase assemblies, starting at 2:30pm, on the following days:

Monday 23rd January - Mrs Chatham's Class

Tuesday 24th January - Mrs Pardoe's Class

Thursday 26th January - Mr Collingwood's Class

We would ask that a **maximum of 4 people attend per child**. Assemblies will be approximately 20 minutes and are an opportunity for children to share the work they have been doing this year. Parents should enter school via the middle infant door only - at the front of the school - the gates will open at 2:20pm. We are very much looking forward to welcoming you for this special event.

Oracy Challenge - Back to Back Challenge

Sit back to back with a partner. You and your partner need to have a piece of paper and something to draw with. You then draw a picture and explain to your partner what you are drawing. Think about your positional language (underneath, next to etc). They need to draw too listening carefully to your instructions. When you have finished, compare drawings and see how they got on. You can take it in turns.
