

Dear Parents

Note from Mrs Radley (CEO) - Change to Leadership Structure

I am pleased to share that Miss Atkinson has now been promoted from Head of School to substantive Headteacher of Bourne Westfield. My role is now focussed on being the CEO of Keystone Academy Trust and as such I will still continue to be involved in Westfield.

In discussions with the Local Governing Board and the Trustees, we have additionally recently approved the restructure of the senior leadership team and, as part of this, we will be shortly recruiting for a Deputy Headteacher KS2. As part of the restructure, and in line with the existing strengths within the SLT team, we are delighted to share that Mrs McCullough will take on the Deputy Headteacher role as Key Stage 1 and EYFS.

Safeguarding Policy for Children

Please see our new Safeguarding Policy for Children which has been developed and shared with all staff and children at school. This policy is to enable the children to better understanding safeguarding in school.

Lincolnshire Cultural Education Partnership (LCEP)

Calling all budding creatives - Lincolnshire and Culture need you! Bourne Westfield has been chosen to partner with the new Lincolnshire Education Partnership on the creation of their name and branding logo.

The partnership is a brand new venture aimed at bringing together the very best of local and national cultural practitioners, organisations, venues and opportunities through education for the benefit of our

children and young people. As the purpose of the project is to widen cultural vision and engagement for children, it is only right that the branding of the new venture has meaning to its audience, and we are asking our children to be that voice.

The brief:

- A name for the new LCEP - Something that reflects Lincolnshire. Something punchy and easily remembered. (The Nottingham LCEP is called 'ChallenGE'. The LCEP in Leicester is called 'The city classroom' and the LCEP for Northampton is 'Unlock'). This might help steer your thinking.
- A logo - this can be hand drawn or computer generated. Think simple: the best logos are striking not complicated.

All entries must be at the office by Friday 28th January. Please ensure that all work has the child's name and class on the reverse. The winner of the competition will see their logo used on all branding by the LCEP; a fabulous opportunity for an authentic outlet for our children. We look forward to seeing the work produced as part of the process.

Year 4 Parent Assemblies - Tuesday 25th January

A courtesy reminder that Year 4 are due to welcome you to their class showcase on Tuesday 25th January. A maximum of 2 people may attend per child - please ensure that you LFD test before attending and wear a mask for the duration of your visit. The assemblies will be approximately 20 minutes and are an opportunity for children to share the work they have been doing this year. For all assemblies, we would ask that parents enter the school via the middle infant door only - at the front of the school. Please rest assured that seating will be distanced in the hall in line with COVID measures. Assemblies will be held as follows:

Mrs Johnson's class will hold their assembly at 9.15am on Tuesday 25th January. The door will open at 9.05am. Please do not enter the school by any other door or you will be asked to re-join the parents waiting at the front of school.

Mr Clark's class will hold their assembly at 1.50pm on Tuesday 25th January. The door will open at 1.45pm.

Mr Mulhern's class will hold their assembly at 2.30pm on Tuesday 25th January. The door will open at 2:25pm.

We are very much looking forward to welcoming you for this special event.

Oracy Challenge: Ask your child if there's something they want to learn how to cook and make it with them. This is a great opportunity to get talking in a relaxed environment with the focus being shifted to doing a physical task. Try to encourage the use of adventurous adjectives through questioning, e.g. What do you think this will taste like?

Top tip: If cooking a meal together might be a bit too tricky, decorating pizzas with your own toppings could be an easier alternative.

Bourne Westfield School Lottery

Congratulations to Mrs Burgin who was the winner of the school lottery last week. The winnings increase as more people join - if you want to join for just £1 per ticket per week and have a chance of winning the weekly draw, then please go to www.yourschoollottery.co.uk, search for Bourne Westfield and follow the on screen instructions.

What is Safeguarding?

- It is everyone in our school looking after your health, safety and welfare
- It is everyone in our school showing respect to all children and adults and protecting their rights
- It is learning how to recognise risks in different situations and how to stay safe

How do we safeguard our children at Bourne Westfield Primary Academy?

- We provide a safe environment for you to learn
- Staff at our school know how to keep you and your friends safe, at home as well as school
- We talk to other people about any concerns to develop the best way to help
- We treat everyone fairly with dignity and respect
- Adults never stop us from freely talking or sharing about our worries
- We make sure you know where to get help if you are worried or unhappy
- We have themed assemblies and lessons where we learn about safeguarding such as e-safety, road safety and anti-bullying
- We have a Worry Box in our corridor where children can post a note and adults will arrange to meet with you

Mrs Humphreys is our Safeguarding Lead and her main role is to keep our children safe. Miss Atkinson and Mrs Pinchin are also part of this team
