World Book Day 2026 and National Year of Reading 2026

We're excited to share some of the wonderful reading activities and opportunities happening across school as we celebrate the **National Year of Reading 2026**. This year is all about helping children discover a genuine love of books and the joy that reading can bring.

World Book Day - Thursday 5th March 📖 Dress Up as Your Favourite Book Character

As part of our celebrations, children are invited to come to school dressed as their favourite book character for World Book Day. If possible, please encourage them to bring along the book their character is from — it's a lovely way for them to share stories with their friends and teachers.

🌟 What's Coming Up

Spot the Book Character - A fun activity sheet is coming home (please check bags!). Children can enjoy spotting familiar characters and chatting about their favourite stories.

Usborne Sponsored Read

We're taking part in the Usborne Sponsored Read again this year. It's a brilliant way to encourage reading at home while helping us earn new books for school.

Design a Book Voucher

Children will also have the chance to design their own book voucher. Templates will be sent home for them to enjoy getting creative.

KS2 Book Recommendation Posters

Our KS2 classrooms will soon have new posters filled with exciting book suggestions to help children discover stories they'll love.

Each class will be visiting our cosy Reading Café to enjoy a story and a biscuit. Please see the time slots below and come and join them if you can.

Atkinson's Announcements

Parking

We have continued to receive a number of concerns this week regarding the manner of parking and driving around our school site at drop off and collection times. If you are driving to school to drop off/collect children please park considerately. The zigzag lines outside the school are there to ensure our children are able to get to school safely. Stopping or parking on the zigzag yellow lines is not permitted from 8:00-9:00am and from 3:00-4:00pm. If you park in these areas, children have a restricted view when they are trying to cross the road safely - this morning, a child was almost knocked over by a car in front of the school. Please do not park on the entry or exit roads to the school or on any side roads where your parking causes an obstruction to local residents. If one of our neighbours does speak to you about where you have parked, please be polite to them.

Please note that it is illegal to sit in your car with the engine running when stationary. Section 42 of the Road Traffic Act 1988 prohibits leaving your engine on when it is not needed and fines can be issued.
