

Dear Parents

Young voices - Wow! What a trip!

Thirty eight children from across years 4, 5 and 6 took part in the 'Young Voices' concert at Sheffield Utilita Arena on Wednesday 27th April. It was the most amazing day which was the finale to a year of rehearsals and preparation. The children sang as part of a 5000 strong choir, who rehearsed together during the afternoon and then performed to an audience of family and friends in the evening concert. All of the staff who accompanied the children on this amazing trip were so proud of the conduct and behaviour of our children. They were great fun to be with for the day and really pulled together as a team.

We would like to thank all of the families who supported the children through their Young Voices journey from start to finish. For those families who attended the evening concert in Sheffield, we hope that you had a memorable and enjoyable evening. It was great to know that you were out there supporting us. All of the children in the Young Voices team are our music 'Stars of the Week'.

A Date with Dan 18 May 6:30pm-7:30pm FREE Online Safety Parent Question and Answer event

Online safety can be a bit of a minefield - many of us have lots of questions on how we can not only keep children and young people safe but also let them enjoy the benefits the online world brings. After our last Q and A event, many parents and carers asked for another opportunity to ask us some questions.

Join our resident Online Safety Officer, Dan Hawbrook, on the 18th May 2022 for a special Question and Answer session for parents and carers which will cover whatever YOU want to know - whether it's game ratings, parental controls, bullying or strangers - we will let you ask us those burning questions. Sign up will be required to access this session [A Date with Dan Tickets, Wed 18 May 2022 at 18:30 | Eventbrite.](#)

5 Stars for our Kitchen

Following an unannounced visit earlier this week, our school kitchen retained their 5 Stars from Environmental Health. Our kitchen staff do an amazing job, providing good quality, healthy food for our children - I am sure you will want to join me in congratulating them - well done to all the team!

Oracy Challenge

This week some of our talented Year 4, 5 and 6 children went to Sheffield to take part in a huge musical event called 'Young Voices'. During the show, there were professional hosts who were responsible for introducing the different performers. They used their Oracy skills to do this. They had to talk at a speed which allowed the listeners sufficient time to process what was said, while also avoiding excessive pausing or hesitation. They used their voices to vary their tone and emphasise certain points, volume and pitch to enhance the meaning of their speech. **We would like you to be professional presenters!** Think about shows that you might have seen on television and how those presenters speak. Your task is to introduce an act/performer of your choice - either real or fictional. You might want to announce that Mum has prepared dinner and that it is now ready to be served! Can you do this in front of an audience? How will you use your voice and body language?

Curriculum Overviews

Curriculum overviews for terms 5 and 6 are being sent by Parentmail today - these are also available on the school website. The overviews will provide information about the topics and knowledge your children will be learning about up until July. We hope you find this useful and can use it to talk to your children about their learning.
