**School Discos - Tonight - Friday 15 May!** There are two discos - Years 1, 2 & 3 is from 4.30pm-5.30pm, Years 4, 5 & 6 is from 6pm-7pm. Entry is £3 per child which includes a drink and a bag of crisps. It's cash only on the door if you haven't pre-booked your child's ticket. **Please note - all children must be collected by an adult at the end of the event, and no mobile phones are allowed.**

**Summer Uniform Sale** - We are trying to organise a large-scale community second-hand uniform sale designed to support local families by providing affordable, high-quality school gear. We are looking to host this on a single Saturday or Sunday during late June or any weekend in July.

We are struggling to get a suitable venue for a low or no fee - if anyone can help us with the venue that is central to town we'd be very grateful - please get in touch. We were hoping for a community venue rather than just hosting it at Westfield.

As well as ourselves, we have Morton and Elsea Park schools confirmed to participate, and we are in the process of inviting all other schools in the area to join us. This is a non-profit event aimed directly at helping families in the local community.

### **Bourne Westfield School Lottery**

Congratulations to Mrs L Clark who was the winner of the school lottery last week. The winnings increase as more people join - if you want to join for just £1 per ticket per week and have a chance of winning the weekly draw, then please go to [www.yourschoollottery.co.uk](http://www.yourschoollottery.co.uk), search for Bourne Westfield and follow the on-screen instructions.

## **Atkinson's Announcements**

### **Car Park Safety**

As we have more families entering the school carpark, it is very congested at drop off and collection times. For those families that do use the car park, please ensure you park in any spare parking spaces and not block empty spaces - thank you. I would ask that all users are patient and mindful of pedestrians at these times.

### **Idling Engines and Music**

Could I please ask that all car engines and music are turned off in the school car park and around school. Engines should not be left idling as they are a noise nuisance for our neighbours and increases pollution in pedestrian areas. **Idling is illegal in the UK and can incur a fixed penalty.**

### **Mobile Phones**

Could I please remind parents and children that mobile phones should not be out on the school grounds or in the school building and that parents should not be taking photographs on the school site, this includes the car park.
