

Dear Parents

## Sports News from Mrs Anderson

This week it has been National Schools Sports Week! What a week of sport it has been here at Westfield, with four very successful sports days, two school sports events and the sports leaders running some fun multi-skills clubs at lunchtimes.

On Tuesday evening, we took a group of Year 4 and Year 5 pupils to Witham Hall Preparatory School for a friendly inter school golf tournament. This was, for the majority of children, the first time they had played with metal clubs and puttied into holes rather than the targets used in Snag golf. As the evening progressed, all of the players got into the swing of it and saw their shots improve! We played three matches with the final score being 2/1 to Witham Hall. This did not dampen any spirits as the cookies and squash at the end were much appreciated and provided the perfect ending to a lovely evening. Thank you to the parents for supporting us at this event, which will definitely become a firm fixture in our school sports calendar.

Today, we have two teams from Year 5 and 6 going to Tower Road Academy in Boston to compete in the first Keystone Academy Trust football cup competition. This is another addition to the calendar and hopefully the first of many fixtures against teams from schools within our trust.

Thank you to everyone who has supported their children at sports days this year. It has been so lovely to have our sports days back to normal and also for them to all take place without any postponements due to inclement weather! We have been so impressed with the children's resilience and participation this year. They supported their teammates well and showed great sportsmanship.

## Year 5 - 11+

We have been asked by Bourne Grammar School to remind parents that registration for the 11+ can be accepted until 30<sup>th</sup> June 2022. ## Year 6 E-safety workshops

Last Friday, all children in Year 6 were fortunate enough to take part in the E-safety workshops led by Dan Hawbrook from the Stay Safe Partnership (SSP). Dan delivered some highly engaging and thought-provoking sessions for our children which focused on the many positive aspects of gaming and group chats but also giving the children some very clear advice around keeping themselves safe online. One of these workshops was also attended by our Safeguarding Governor, Mr Philip Tordoff, as part of ongoing governor assurance of the safeguarding in our school.

## Arts Week 2022

Our annual Arts Week this year takes place in the week beginning 11<sup>th</sup> July. All children in school will enjoy a timetable of additional creative arts, supported by our staff, specialists, independent artists and our local secondary schools, who all give up their time to ensure our children have a week enriched with inspiring activities.

This year, the week focuses on 'India', as post Covid we begin to rebuild our work with 'Sajoni' School in Southern India. Ahead of this very special week, we thought it would be nice to share some of the activities that will be taking place. If you feel that you have anything that you could offer for our arts week, in terms of time or knowledge, our Arts Director would be very pleased to hear from you.

### Dance

We will be welcoming dance practitioners in Bollywood and Indian folk dance from Napur Arts in Leicester. All classes will be working with the dance teacher to put together a routine which will form part of the finale to arts week on Friday 15<sup>th</sup> July when the whole school will come together to perform the finished piece.

### Theatre

Children in year 5 will be visiting the West End in London to watch 'Matilda'. We are delighted to have this trip back in our arts week calendar of events.

### Art

Lucie Lawson from Bourne Academy will be working with Year 6 on a textile piece inspired by animals. Some of our talented team of teachers at Bourne Westfield will be teaching Rangoli, Batik, photography and sculpture across the school. Year 4 will be working with a team from The Mighty Creatives (bridge organisation for the Arts Council) to gain their Arts Award Discover through a print workshop.

### Music

Mrs Beavis will be teaching Indian drumming during music lessons which will lead to an opportunity to share the work at our finale celebrations.

### Yoga and Language

Children in KS2 will be participating in Yoga sessions with Mrs Anderson and learning some Tamil with Mrs Medina in place of Spanish.

### Dress up day

On Friday 15<sup>th</sup> July we are having a 'Day of Colour' where all children will be invited to come to school dressed in something bright and colourful, or in traditional Indian clothes if they have them.

### Photography Competition

We will be running the annual arts week photography competition and entries are welcomed from children from EYFS to Y6. There will be two categories EYFS, Y1, Y2 and Years 3, 4, 5 and 6. We would like to be able to share photographs with Sajoni School that represent the lives, and interests of our children, therefore the title is 'My world'. Photographs should be emailed to Mrs Beavis and received by Wednesday 13<sup>th</sup> July. [Rebecca.beavis@bw.keystonemat.org](mailto:Rebecca.beavis@bw.keystonemat.org).

### **Talent show 2022**

Calling all talented performers! Does your child have a talent for dance, music, comedy, martial arts, juggling, magic or anything else that they would like to share? We are delighted to be able to bring back our Talent Show to end this academic year on Friday 22<sup>nd</sup> July. Children in KS2 are invited to audition for a place in the show.

Children should prepare a short 3 minute excerpt from their act. They will need to bring any props/instruments/backing tracks etc **but will not need costumes for the audition.**

The audition schedule is as follows - all auditions will be held in the music room at lunch time.

Year Group	Day
Year 3/4	Monday 18 <sup>th</sup> July
Year 5/6	Tuesday 19 <sup>th</sup> July

### Oracy Challenge

Playing 'If I Ruled the World' is a great way to explore playful talk, encouraging children to use their imaginations whilst using logic and reason, providing explanations for why they disagree and proposing new ideas. Share your thoughts with your friends at school or at home with your family.

- If I ruled the world, I would... because...
- I couldn't disagree more because ...
