

Dear Parents

## Sports News from Mrs Anderson

Over the last few weeks pupils in KS2, who would like to be in one of the many school football teams, have registered their names with me. As there is significant interest across the key stage for both girls and boys, I will be trying my best to get as many children to represent the school as possible over the academic year.

There has also been some confusion about the difference between clubs and teams. You will receive an email for after school clubs following the application process at the beginning of the academic year. If your child is not in an after-school club, this doesn't prevent children from representing our school and I will try to schedule additional training at lunchtimes for those playing matches to provide an opportunity for the teams to train together. Some of these teams will be more competitive and others will be for children who do not play outside of school. This is not just for football but for all sports in which we compete.

Where a child is selected to represent the school at a tournament or festival, the parent/carer will receive a Parentmail a week prior to the event, with all of the relevant details.

This week, 10 girls from Year 3 and 10 from Year 4 took part in a local schools football festival held at the Deepings School. This event was primarily focused on teamwork and encouraging more girls to take part in football. The children spent some of the day doing drills and skills with the sports leaders before playing some friendly matches against other local schools. All of the girls showed great teamwork, determination and resilience when playing. It was great to see the improvement of their skills and a better understanding of the game as the day progressed.

Lunchtime football clubs for Year 3 and 4 girls and boys will take place now that the children are not playing on the field at lunch. This will be on their PE days so they are already in kit. The clubs will begin next week with the girls for 4 weeks, followed by the boys for 4 weeks which will lead us up until the Christmas break. Children can just go along to these clubs, there is no need for parents to register.

## Busking Friday

After the huge success of Busking Friday, we are keen to continue to provide our children with an opportunity to show case their creative talent and inspire others. These weekly opportunities will now be during live assemblies on a Thursday. If your child would like to be our Busking Star for the week, please can you send a short audition video of a performance to [Rebecca.beavis@bournewestfield.lincs.sch.uk](mailto:Rebecca.beavis@bournewestfield.lincs.sch.uk). Mrs Beavis will choose someone to perform each week. Performers will need to bring their instrument, music, a backing track if relevant. (Drummers will not need to bring in their drum kit, children can use the school kit). Performers can be dancers, musicians or actors performing poetry or a piece of drama.

Quorn sausage in a bun will be the vegetarian option. All of the other regular options will be available on the day.

## 'Understanding Your Child' Sessions (Solihull Approach)

We are pleased to be in a position to repeat the above course at Bourne Westfield. Parents have previously found this course very beneficial and we look forward to delivering another. It will start on **Thursday 11<sup>th</sup> November** (9.15 - 11.15am) and run for 9 weeks at a subsidised charge of £30. Spaces are limited so if you are interested and would like further details please contact Angela Pinchin, Family Liaison Lead, by phone (01778 424152) or e-mail [angela.pinchin@bournewestfield.lincs.sch.uk](mailto:angela.pinchin@bournewestfield.lincs.sch.uk).

## Oracy Challenge: It's good to talk

It's important that we feel able to open up and talk to others about how we're feeling. However, sometimes it's hard to describe, especially if we are feeling a mixture of different emotions all at the same time. You might recognise our blob tree from last year and now it's time to revisit it again!

Thinking about school at the moment:

- Which blob person (or people) do you feel most like?
- Why do they best show how you're feeling at the moment?
- Which blob people might show how your classmates, teachers or family might be feeling at the moment?

You might want to use some of the following adjectives in your answer:

Anxious

Excited

Energised

Hopeful

Cautious

Nervous

Supported

## Bourne Westfield School Lottery

Congratulations to **Mrs Kirk** who was winner of the school lottery last week. The winnings increase as more people join - if you want to join for just £1 per ticket per week and have a chance of winning the weekly draw, then please go to [www.yourschoollottery.co.uk](http://www.yourschoollottery.co.uk), search for Bourne Westfield and follow the on screen instructions.

## Atkinson's Announcements

Unfortunately, we do still have a number of positive COVID cases across the school. I would ask that parents continue to support the school by keeping children at home if they display **any symptoms** and arrange for them to be PCR tested.

A reminder that **next Friday is a training day and school is closed for all pupils**. The autumn half term holiday begins on Monday 25<sup>th</sup> October and all children return to school on Monday 1<sup>st</sup> November.
