

Dear Parents

## **Sports Report from Mrs Anderson**

At the end of term 1 all pupils in KS2 took part in an intra house football tournament. This was run in their outdoor PE lessons. It was great to see them all playing for their houses, in mainly mixed football teams. Red team won in Year 6, Blue team won in Years 4 and 5 and Green team won in year 3. When the year group scores were added together the Yellow team came out on top! Well done everyone, you all showed great passion and determination throughout the week.

This week, we took 40 pupils from KS2 to the annual inter school cross country competition; this event is run by our school games organiser. There were 12 local primary schools taking part, which meant each race had over 100 participants. This is an event in which we always do very well, and this year was no exception. Some of the pupils have been regulars at representing the school in cross country events; however, this year it was nice to see some different pupils taking part - also our Year 3s who competed for the first time.

All the pupils tried their best and the teamwork and support for each other during this event was superb. We had 5 children who came in the top 3 of their events. Our teams came 2<sup>nd</sup> in the 3/4 girls, 2<sup>nd</sup> in the 3/4 boys, 2<sup>nd</sup> in the 5/6 girls and 3<sup>rd</sup> in the 5/6 boys. Well done to all involved. The next races are in the spring term; it would be good to see as many as possible come to the various cross-country clubs before school. One of the pupils who has represented the school at cross country before commented that they had improved their placing by running regularly for the last year at the club. A huge thank you to our parents who came along on the bus to help manage the team.

The feedback will be used to transform and improve services, helping more children and young people to live independent, safe, healthy, and fulfilling lives.

## Oracy Challenge

At this time of year there are lots of exciting things taking place such as Halloween and Bonfire Night. These are both exciting but times when people might feel worried. Can you think of any words of advice or encouragement that you could give someone during this time?

### ***Atkinson's Announcements***

It was lovely to welcome prospective parents (and children) to the school this week. I was incredibly proud of all the children during the open mornings. A special mention must go to our phenomenal Year 6 children who took on the role of tour guides. All the visitors sang the children's praises.
