If you are still not sure please see the video at the top of the week of SEND page which explains why this event is so important for you to attend and gives helpful advice on how to take part.

LPCF have taken 5 months to put together this large events programme, which takes place throughout the day, evening and weekend. This is to enable parents and professionals to gain lots of information, support and advice from organisations throughout Lincolnshire and beyond, who are there to help.

Please try to participate in this yearly event and if you aren't able to, then ask a relative colleague or friend to gather the information on your behalf.

Don't be shy as cameras can be on or off and questions can be added to the chat facility.

Hope to see you all for an exciting "Week of SEND"!
