## School Council Notes 1.10.21

Mrs Pinchin welcomed all the school council representatives - everyone was happy to be back after keeping to their Bubbles meant the school council could not run last year. Photos were taken for the notice board and they received their badges!

Everyone discussed the qualities that would make a good school council representative:

- Making sure that everyone in their class will be listened to
- Understanding others ideas may be different from their own
- Building a good relationship with all their class members
- Making sure that they can be assertive and be heard
- Having fun in their job and proud of how they do it
- Ability to report their class ideas in the meeting

Mrs Pinchin asked the year 6 representatives to consider the role of Chairperson and Secretary

They were to write an application to Mrs Pinchin to be considered for the roles and Miss Atkinson would make the final decision

Applications by Tuesday 5<sup>th</sup> October please

Mrs Pinchin asked what they understood a policy to be and why we have them. There were some good answers i.e. A set of rules that adults need to follow, and things they need to do in their jobs.
