## September 25

### Welcome to the Autumn Term

The children had an amazing first week and have started to settle into the new routines. Our topic this term is 'All about me!' Through this topic the children have the opportunity to explore their identities, understand their emotions and build self-awareness, encouraging the children to develop a sense of self-worth and belonging while fostering essential communication and social skills. Our topic provides the children with opportunities to explore their likes, dislikes, families and their unique qualities.

### Tapestry

Tapestry is an easy-to-use and secure online learning journal that helps to celebrate your child's learning and development. It builds a lovely journal of your child's experiences and journey through nursery. At Little Westy's we use Tapestry to share our learning each week and Wow moments of your child's learning. These observations are either a photo or video.

We would also love to see your contributions too.

Let us know how you get on!
