26. What does the school do well (COVID crisis or more generally)?

I cannot fault the school this year for the handling of a global pandemic but also keeping the children's environment as 'normal' as possible for them to enjoy and learn.

Couldn't have asked for more from a primary school.

They work so hard and always happy and helpful. Communication is fantastic and what is expected is clear. Thank you very much for everything, we as a family appreciate it all.

Staff also know the students very well not just academically but on a more personal level and take their time to meet, greet and make all students welcome. Communication via the weekly newsletter is brilliant. I cannot rate the school more highly

Caring environment with high standards expected and children at the heart of the school.

The online learning was absolutely outstanding! During the pandemic, I have always felt my child is safe! More generally the open-door policy that Westfield have and the fact that the staff are always so friendly and approachable has made a huge difference to my child's experience. No problem is too small.

Provide a broad and interesting curriculum to the children even during Covid.

It always feels like a happy place to go to and if there is anything wrong I have always felt I would be able to raise it with relevant people quickly. It feels very open to parent feedback all of the time.

Arts week , music opportunities and sporting opportunities all really good.

Offers broad and fun education. Like the way religion is taught and independence.

Thank you to all the parents who responded. The purpose of the questionnaire was to gauge what we do well and what we could be doing better. Some parents shared things they would like to see improved this year. These comments have been taken onboard and built into our school improvement plan.

Some suggested improvements were:

- Ensuring children are supported to catch up following the lockdowns whilst not holding others back.
- How particular behaviour incidents are dealt with in specific year groups.
- Provision for our pupils with SEND.
- Communication regarding positive behaviours and reward systems.
