

Bourne Westfield Primary Academy

School Council Meeting 2.11.22

1 representative from each class please (yr 1 and 2 may have both present)

Notes by Billy

We started off by doing the register. Key Stage 1 are going to be getting their badges on Friday. Then we had a vote about the how we are going to raise money for Don't Lose Hope. We voted for a sponsored obstacle run. You may remember how we did an opal survey about break time the results are:

- The children hardly ever play in the pushes.
- The children think there is not enough places to play.
There is not enough equipment to build with.
- They think the adults could make it more fun.
- The children enjoy play sometimes.
- There is a video that everyone can watch in the next class assembly about OPAL the website is
<https://www.youtube.com/watch?v=cm7IfAEsjql>

Please record comments from your class for the next meeting

- We will need a play time committee this might be school council representatives.
 - AOB
 - 2HP shared some school improvements that the school council will look at during the year.
 - Harley from 6S thinks that it is a good idea to have a penalty shoot out at the summer fair to raise money. This will be considered
- Thank you for listening
By school council

NEXT MEETING

WEDNESDAY 23rd NOVEMBER, 2022 AT 2.30 IN THE MEZZ
