

Bourne Westfield Primary Academy

School Council Meeting 4.10.23

All members of the school council were present today! Mrs Pinchin gave them a huge welcome and a well done! They had been elected to represent their class. Their job was to present the ideas and opinions of their class at meetings - everyone appreciated what an important job this was.

Miss Atkinson sent her apologies. She would like to attend most meetings but unfortunately was not available today.

Jacob took the register

Mrs Pinchin explained the role of Chairperson and how this position went to Year 6 due to the maturity and independence needed in this role. Interested Year 6 students put themselves forward and explained to the meeting why they would be good at this role.

Well done everyone - it was close - but...

AMELIA MAUDSLEY was elected as Chairperson

There was another position needed and as Jacob had already started this role with the register it was felt that
JACOB SHAWLEY would be Secretary

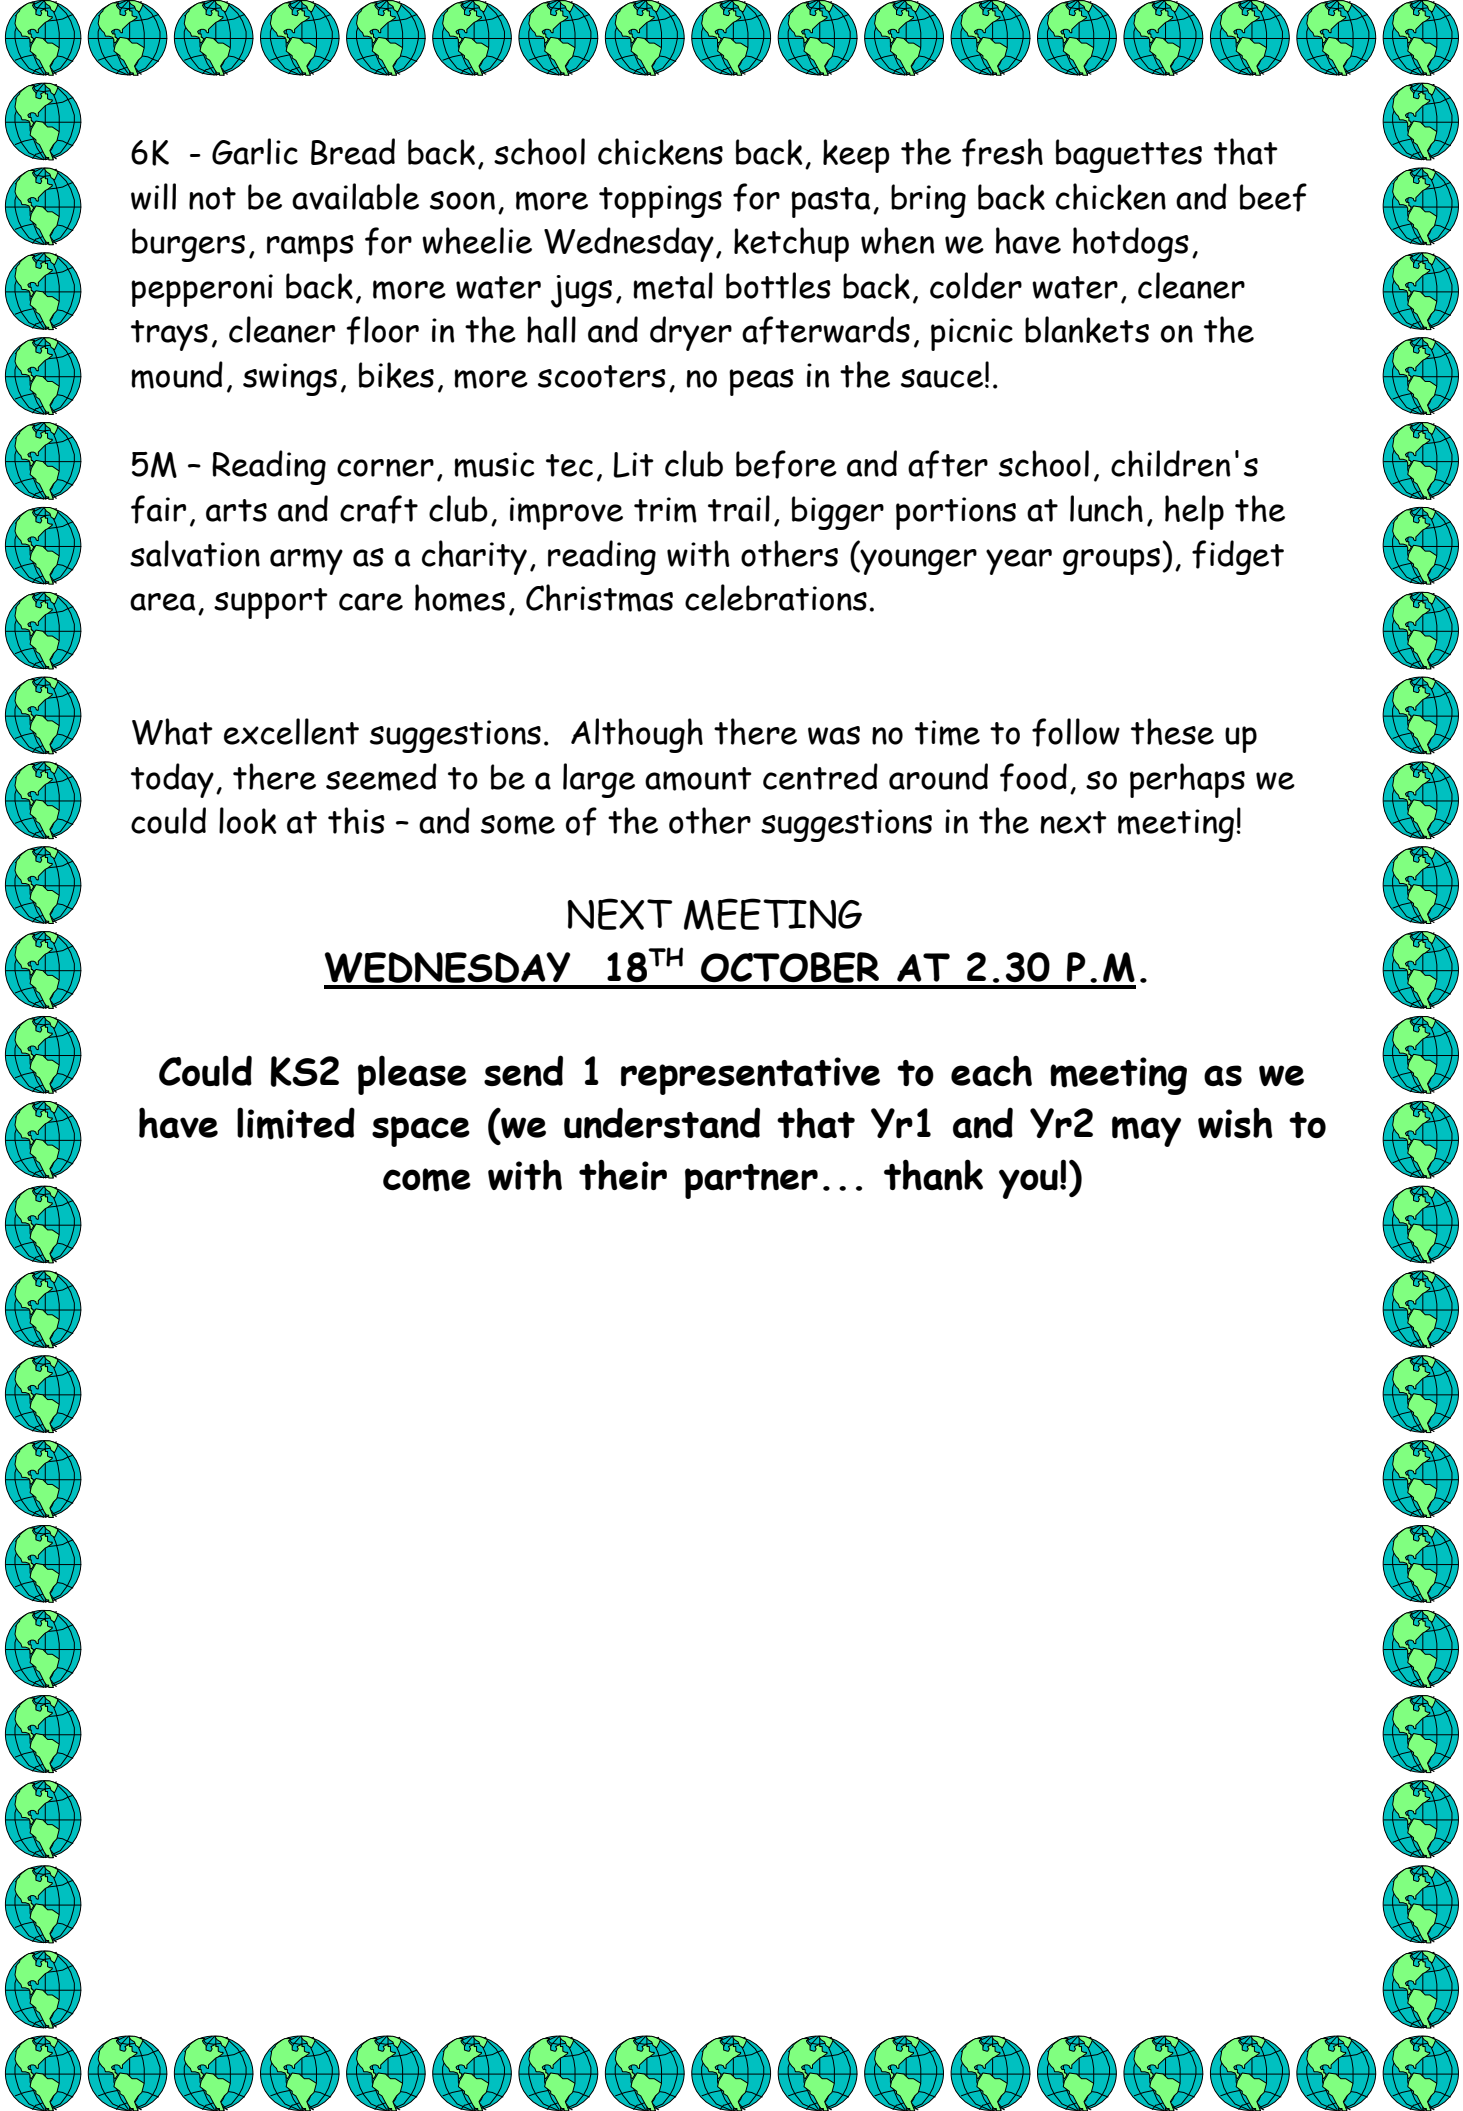

These 2 representatives will help with the running and recording of the meetings. They will also regularly meet with Miss Atkinson to discuss projects and suggestions to work on.

This year, Miss Atkinson would like help to increase our links with the local community. Our school plan states we will be:
Building resilience and aspirations to be compassionate citizens of the World

FIRST TASK OF THIS YEAR

(To be discussed in class assembly)

How can Westfield make links with our community? What would we like to know more about? Which areas do we feel we may be able to help? What is happening in Bourne that we can get involved in?

6K - Garlic Bread back, school chickens back, keep the fresh baguettes that will not be available soon, more toppings for pasta, bring back chicken and beef burgers, ramps for wheelie Wednesday, ketchup when we have hotdogs, pepperoni back, more water jugs, metal bottles back, colder water, cleaner trays, cleaner floor in the hall and dryer afterwards, picnic blankets on the mound, swings, bikes, more scooters, no peas in the sauce!.

5M - Reading corner, music tec, Lit club before and after school, children's fair, arts and craft club, improve trim trail, bigger portions at lunch, help the salvation army as a charity, reading with others (younger year groups), fidget area, support care homes, Christmas celebrations.

What excellent suggestions. Although there was no time to follow these up today, there seemed to be a large amount centred around food, so perhaps we could look at this - and some of the other suggestions in the next meeting!

NEXT MEETING
WEDNESDAY 18TH OCTOBER AT 2.30 P.M.

Could KS2 please send 1 representative to each meeting as we have limited space (we understand that Yr1 and Yr2 may wish to come with their partner... thank you!)
