Billy wrote the following excellent report from the meeting

We met with Bourne Abbey to have an important meeting about children rights. As they spoke about what they thought about children rights our school council took some notes. The children are UNICEF Ambassadors, their school is known as children's rights school.

Notes that we made from the meeting are:

- Children should feel safe.
- We should tell younger people about their rights.
Support people whose rights have been unfairly taken away.
- Be the best you can be.
- Every child has the right for their voice to be heard.
- Read articles about children's rights.
- Have a charter about children's rights.
- Every child has a right to learn.
- You have the right to have rights
- You are born with rights.
- Assure the students that we are a team say things as a team and make agreements with the team
- Look and talk about children's rights as a team
- Have a class chart about children's rights
- To know what their rights are because some children don't have rights
- Help the younger ones understand
- We are rights holders
- Some human rights are Education, Religion/Race, Safe place, Food, to be able to be clean, learning,
- every child under 18 has rights
- If you are over the age of 18 you still have rights, but they just aren't called children's rights and they are a bit different

Thank you for listening! Billy

The list of school council dates will be forwarded to representatives soon to ensure they are ready to attend and lead some interesting projects.

Badges will also be given out in assembly as soon as possible
