Upcoming Training/workshops

For more information on the aims and objectives for each session, please visit the ticket source links. Descriptions and intended audience will also be on our website.

A calendar of training events can be found via <https://www.wtt.org.uk/calendar/?calid=4,5,6&pid=10&viewid=1> . The easiest way to view the training calendar is to click "month" which drops the events into a list for that month and then use the arrows to move through the months. TicketSource links are attached to each event where that is appropriate.

Most central training is FREE. There is a small cost for NAS Autism and SPELL, to cover the cost of the book accompanying this course.

Neuroinclusive Education Network (NEN) replaces former Autism Education Trust

You will now see NEN rather than AET on our training listing. This continues to be licensed National training available to our Lincolnshire mainstream, specialist and Early Years settings.

We welcome your thoughts on both this more blended approach to accessing training and development through WTT and on further autism topics we can include to support staff and families. Please pass these on your WTT outreach teacher or email training@uolat.co.uk.

Thank you very much for your continued support of the Working Together Team

- All bookings for central training are still via TicketSource. We will contact the named person, on the booking, the week before to confirm attendance prior to sending out links and resources. Please confirm your place to receive the joining instructions.
- All MS Teams training sessions will open 15 minutes beforehand to allow time to get everyone in and organised for a prompt start at the given time. Admissions to the session will close after 15 minutes of the start time.
- All workshops will go ahead providing numbers booked make the training viable. Should that not be the case, you will be notified (and refunded if appropriate) at least 5 working days before.

- If you have a large number of staff or families wanting to access a particular theme, please talk to WTT about delivery in a separate session for your setting and community.
- If you have any issues with booking or joining an event please contact training@uolat.co.uk.
- We will be sending reminders out ahead of training for future terms and asking you to confirm your place(s). This is due to an increase in bookings and then not attending last academic year.
