

WTT Training Offer 2025-2026

Dear SENCOs,

Please find details of the WTT training offer for 2025 2026.

We have been listening to the messages from our SENCOs, have expanded our offer with new AET modules and WTT training sessions and made some changes on how training can be accessed this year. This offer now includes:

- Live online training via Teams for specific AET modules and WTT training
- Live face to face training on specific themes
- Pre-recorded training- accessible via request, starting from November 2025- see tables at bottom of this document.
- Blended training - which will have a pre-recorded session to watch and then a live online follow up for discussion, activities or Q&A.
- Bitesize videos on the website to access on demand.
- Further information and resources to be added to the website for both parents and professionals.

Professional Online Helpline

We continue to offer an online professional helpline each **Friday morning from 8:30am-1pm during term time**, for any general queries about the Ladder process and WTT support, follow the link is below. This is for setting professionals only. There is no need to book, you can drop-in and speak to one of the team.

Microsoft Teams meeting

Join on your computer, mobile app, or room device.

[Join the meeting now](#)

Although we recognise Friday's do not suit everyone, you can contact your WTT outreach teacher directly for a conversation at any time.

Upcoming Training/workshops

For more information on the aims and objectives for each session, please visit the ticket source links. Descriptions and intended audience will also be on our website.

A calendar of training events can be found via <https://www.wtt.org.uk/calendar/?calid=4,5,6&pid=10&viewid=1>. The easiest way to view the training calendar is to click "month" which drops the events into a list for that month and then use the arrows to move through the months. TicketSource links are attached to each event where that is appropriate.

Most central training is FREE. There is a small cost for NAS Autism and SPELL, to cover the cost of the book provided.

New WTT training added for this year!

- Autism Education Trust- Transitions Early Years
- AET Understanding Anxious Non-attendance
- AET Understanding anxiety in Early Years
- Developing Inclusive Leadership Day - following the success of PINS last year, we would like to bring together senior leaders to share and further develop their inclusive practice.

We welcome your thoughts on both this more blended approach to accessing training and development through WTT and on further autism topics we can include to support staff and families. Please pass these on your WTT outreach teacher or email outreach@gosberton-house.lincs.sch.uk.

Thank you very much for your continued support of the Working Together Team

WTT Live Training workshop calendar for 2025-2026

	21 st May 2026	1-3pm			https://www.ticketsource.co.uk/working-together-team/t-eagpzpg

- All bookings for central training are still via TicketSource. We will contact the named person, on the booking, the week before to confirm attendance prior to sending out links and resources. Please confirm your place to receive the joining instructions.
- All MS Teams training sessions will open 15 minutes beforehand to allow time to get everyone in and organised for a prompt start at the given time.
- All workshops will go ahead providing numbers booked make the training viable. Should that not be the case, you will be notified (and refunded if appropriate) at least 5 working days before.
- If you have a large number of staff or families wanting to access a particular theme, please talk to WTT about delivery in a separate session for your setting and community.
- If you have any issues with booking or joining an event please contact outreach@gosberton-house.lincs.sch.uk.
- We will be sending reminders out ahead of training for future terms and asking you to confirm your place(s). This is due to an increase in bookings and then not attending last academic year.

Other ways to access WTT Training

Pre-recorded content which will be accessible by request from November 2025	• AET Making sense of Autism - Early Years, Schools and Post 16 • WTT Exploring social communication differences (parents)
