School Council Meeting

13.11.24

Thank you to all the school council members that attended - we really hope that the badges arrive soon!

Photos of the KS 1 and KS 2 representatives were taken for the notice board

Mrs Pinchin explained the role of school council will and how they represent the ideas and opinions of **all their class members**, so it was important to gather this information for each meeting.

Mrs Knott will also be playing an active role in the school council this year.

Miss Atkinson had chosen 2 representatives to lead the meetings and activities for this year. They will also be reporting back to her and getting ideas for tasks she may have for the school council.

They are in Year 6:

Joanne - Chair

Ava - Secretary

TASKS FOR THE NEXT MEETING

Miss Atkinson has suggested we think of ideas to keep the air and environment cleaner and make all parents aware of the dangers in leaving their car running outside of school.

Also, make others aware of the difficulty that is caused when cars are parked across the dips in the pavements meaning some path users with mobility scooters are unable to cross

Ideas from classes please!

ALSO:

PLEASE COULD EACH CLASS SEND ONE SUGGESTION FOR A LOCAL CHARITY AND IDEAS ON HOW TO RAISE MONEY FOR THEM.

NEXT MEETING WEDNESDAY, 11TH DECEMBER, 2024
AT 2.30 PM
