

Bourne Westfield Primary Academy

School Council Meeting

15.1.25

Many classes had not yet managed to discuss the task below due to the lateness of the notes being given out. Mrs Pinchin apologised and reminded classes of the task:

TASKS FOR THE NEXT MEETING

Miss Atkinson has asked for suggestions on how to improve air and our environment by educating parents/visitors of the dangers in leaving their car engines running outside of our school.

Also, to make others aware of the difficulty that is caused when cars are parked across the dips in the pavements meaning some path users with mobility scooters are unable to cross

An idea of billboards with School Council representatives visible at the end of the school day was thought to be excellent!

Any further ideas from classes please!

Mrs Pinchin then explained, another task was given to the school council today.

Part of Westfields Core Values is **Community**.

The school council were asked for suggestions on how we could increase our contribution to the community of Bourne and its residents.

The following ideas were offered:

Sporting events against other schools

Care Homes: performances, play games, share stories/books, drawing portraits, Bingo, Raffle

Help with the Woods Orchard

Help with the library

All further suggestions welcome!

NEXT MEETING WEDNESDAY, 5th FEBRUARY, 2025
AT 2.30 PM
