School Council Meeting

30.9.26

Huge congratulations to all school council representatives on being chosen to speak for their class!

All school council representatives had photographs taken for their notice board.

Mrs Pinchin chatted about their role this year - how the ideas put forward at the meetings **must** be from the whole class and not just them. This means the class has a voice in things discussed and agreed.

At future meetings, could there be **only ONE** representative from each class as space is limited (perhaps both from Year 1 and 2 to increase their confidence).

Whilst the KS1 representatives were having the photograph taken, KS2 were busy electing a Chairperson and Secretary for this year. Huge congratulations to:

Isobel Y - (Chair person)

Connie T - (Secretary)

These representatives will be responsible for reporting back to Miss Atkinson and communicating any tasks she may have for the school council.

Dates for the meetings this year are attached.

NEXT MEETING WEDNESDAY 21ST OCTOBER
AT 2.30 PM IN LEARNING BASE 2
